The Governor.

Honour our Lieutenant Governor is now amongst us. He came on the evening of the 5th on his annual visit. He will make his usual stay and we therefore accord him our respectful welcome.

The Oriya Movement.

With an unqualified apology for the delay which was unfortunately unavoidable we acknowledge with thanks the receipt of a volume entitled "The Oriya Movement" from the Hon'ble Babu Braja Sunder Das B. A. the late Secretary of the Utkal Union Conference Council. The book, as its name indicates, gives in detail the various standpoints connected with the unification of all the Oriya-speaking tracts. It first begins with a history of the Movement from its first inception after the terrible famine of 1866 to the present day.

We are confident that the General Public will find in this volume ample material for a satisfactory solution of the Oriya Problem. Although in one of the appendices attached to the book the authors give a possible future re-distribution of British territory in India on a linguistic basis they have tried to prove, as best as

they can the necessity of the unification of the Oriya-speaking country by reason of its peculiar conditions.

We are glad to notice that the authors of this book are two indefatigable young graduates hailing from Ganjam and it has been published by that popular leader of Aska Mr. H. H. Panda who without exaggeration may be called the great champion of the Oriya Movement. The young authors have by their conjoint labour produced a volume of immense value and importance which the necessity of the time requires and while congratulating them we feel that their perseverance in collecting such a vast amount of information will at least be an eye-opener to the Government and to others who show a luke-warm sympathy to the great cause so strongly advocated in the volume now before the public.

We acknowledge with thanks the receipt of a Pamphlet entitled "Facilities for Indian students in America and Japan" from the Indian Bureau of Education. This Pamphlet has been compiled by Mr. R. K. Sorabji M. A. (Oxon.) Bar at Law who is Secretary to the Advisory Committee of Indian students in the United provinces of Oudh and Agra. This book contains valuable information in respect of advice and assistance to Indian students who may desire to complete their education in the universities of America and Japan. The price of the Pamphlet is only Rs. 2, Orissan students who wish to venture abroad to complete their study ought to read this Pamphlet. The Pamphlet is available at all the principal book shops of Calcutta.
