Reading

A smile is quite a funny thing,
It wrinkles up your face.
And when it's gone
You'll never find
Its secret hiding place.
But far more wonderful it is

To see what smiles can do.
You smile at one,
He smiles at you,
And so one smile
Makes two.

Activity – 3

Read the lines in the box and match with the pictures.

- (a) My grand mother has many wrinkles on her face.
