

LESSON – 10

TWO COMICS

UNIT - 1

A. Pre-reading

ACTIVITY-1

The teacher will ask the students what a comic is, and try to know what they know about it. Then (s)he can tell them what follows:

[Comics is a series of amusing picture which tell a story. It is specially meant for children and it helps develop their imagination. In each picture of a comic strip, the dialogues of the characters are given in bubbles. The pictures with the dialogues give us a story. Most of the picture stories have morals.]

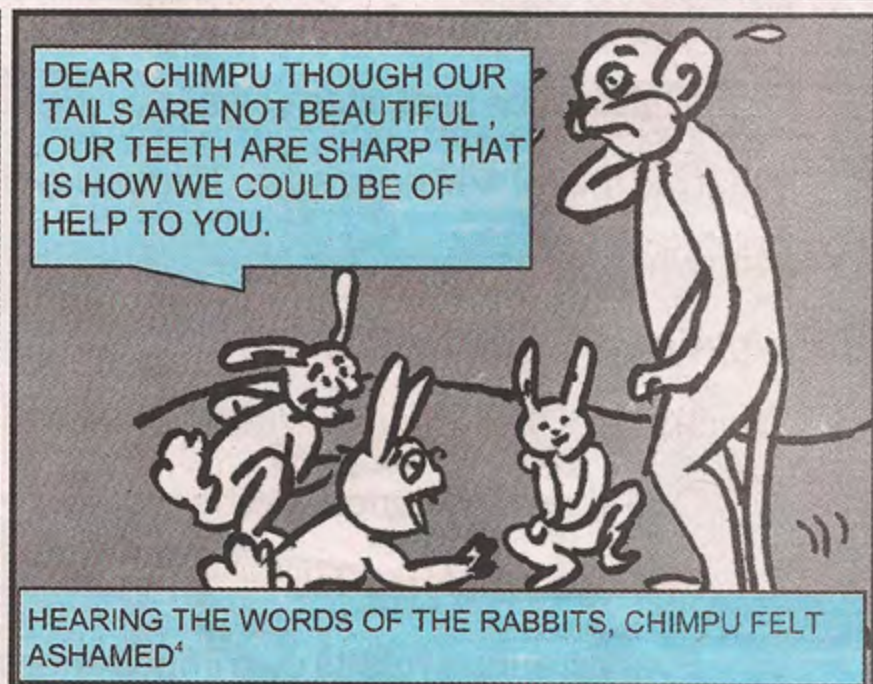

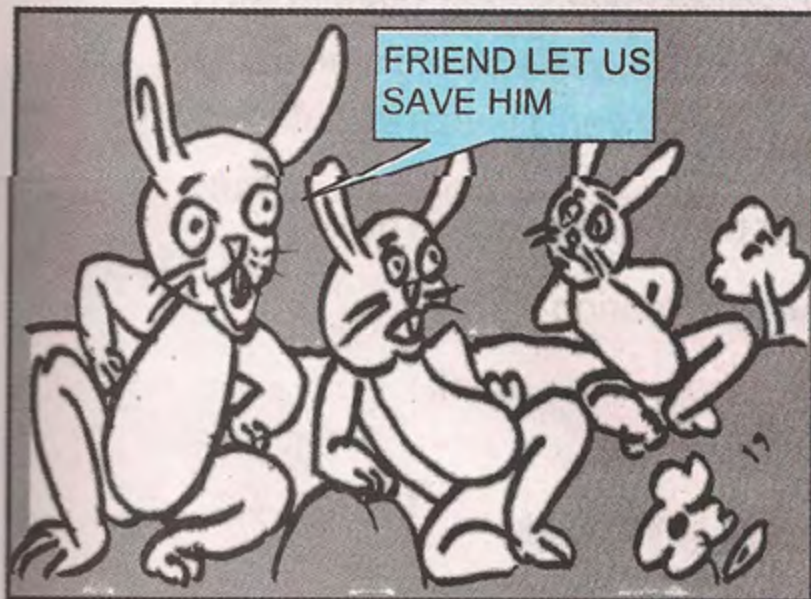

Do animals talk ? The answer is a big 'No'. But in a comic they talk like human beings.

"THE MONKEY AND THE RABBITS"

1. make some one seem stupid.
2. walk slowly without any purpose.

3. forced into a place

4. feeling shame for something done

C1. Let's understand

Activity - 2

1. Who is Chimpu ?

 - i) he can jump better than any other animal.
 - ii) he has a long tail.
 - iii) he thinks that he is handsome.(Tick the correct answer)
3. What do you see in picture no. 2 ?
4. What happened to Chimpu one day ?
5. How do you know in picture four that Chimpu was in danger ?
6. Who came running to Chimpu after hearing his cry ?
7. When the rabbits see Chimpu in the net, they think :
 - i) it is nice to find him there.
 - ii) they should leave the place.
 - iii) they should save him.(Choose the best alternative)
8. What did the rabbits do to save Chimpu from the net ?
9. With what words does Chimpu express his thankfulness to the rabbits?
10. Why does Chimpu feel ashamed ?
11. Which one of the following is the befitting moral of this story.
 - i) One should not laugh at others.
 - ii) Pride goes before a fall.
 - iii) Every creature has its own importance and value.
 - iv) Helping others in need is a good virtue.

UNIT - II

AIR POLLUTION

A2 Pre-reading

The teacher asks the students:

1. What happens to you when you breathe in smoke from the air around you ?
2. What are the ways in which we pollute air with smoke ?
3. The teacher then says: vehicles on the road emit a lot of harmful gases into the air. People also smoke and they make the air dirty and harmful. As a result they suffer from the diseases of the lungs.

Now let us read an interesting comic on 'Air Pollution'.

B2. Let's read

COMIC - 2

'AIR POLLUTION'

I'VE TO REACH OFFICE ON TIME,
THANK GOD, THERE IS NO
TRAFFIC JAM.

4. making (air) dangerously dirty.

C2. Let's understand

ACTIVITY - 4

1. Is the man in the picture driving very fast? How do you know it?
2. Why is the policeman blowing his whistle?
3. Why does the policeman stop the car and ask the driver to leave the vehicle?
4. Why is the little girl surprised?
5. In reply to the child the policeman says that
 - i) the man is driving fast.
 - ii) the man has no driving licence.
 - iii) his car is giving out too much smoke.

6. What is the harm if cars give out smoke ?
7. What does the policeman do after the man leaves ?
8. Why did the child throw water on the policeman ?
9. What lesson did the little girl teach the policeman ?

D. Let's look at the words.

- h) palshs : ___ p ___ h

ACTIVITY - 6

Fill in each blank in the paragraph below with the right word from the box.

helped	fix	warn
stopped	wandering	throwing

A man was _____ about in front of a factory in a town. He saw that the factory was _____ lot of black smoke into the air. He _____ for a moment and thought of doing something. Then he informed the police and requested the officer to _____ the owner of the factory. The officer came to the factory and warned the owner who promised to _____ a chimney within a month. Thus the man _____ to bring down the air pollution in his town.

E. Let's talk

ACTIVITY - 7 :

Here are some common expressions we use in response to happy news and sad news. Practise them in role play through the conversation below.

So what	I am sorry
Thank you	Any way
Poor fellow	Never mind
Enjoy yourself	Good bye
Hey	Oh no !
Have a nice time	Don't worry

Example:

- Dipu : I am going on a visit to Puri in the winter holidays.
- Rabi : Great ! Have a nice time there.
- Dipu : Thank you, my friend.
- Rabi : Hey, Dipu ! How long will you be there ?
- Dipu : Never mind. I shall telephone you every day.
- Rabi : I'm sorry. I cannot join you.
- Dipu : Don't worry. We can go together to some other place next summer.
- Rabi : Oh no ! Next summer is too far away.
- Dipu : So what ? Time passes very soon.
- Rabi : OK then. But is Niku, your younger brother, going with you ?
- Dipu : Poor fellow. He is suffering from malaria. He won't be able to go with me. I'm, sorry about that.
- Rabi : Any way, enjoy yourself at Puri, Goodbye.

F. Let's learn the language.

ACTIVITY-8

Some posters are to be prepared by children against pollution. The first part of each sentence to be written on a poster is given. Fill in the blanks with the right phrases from the list below to complete the sentences.

damage to crops, diseases and sufferings, lungs diseases, deafness.

Air pollution causes	
Water pollution causes	
Noise pollution causes	
Soil Pollution causes
