Activity – 2: Let's read

Read the following story aloud after your teacher.

Reading

It was Sunday. Sriya and Swapna were playing in a garden near Sriya's house. Suddenly they heard a sound.

"What is it?", asked Sriya.

"I don't know." said Swapna.

They heard the sound again.

"Whose sound is it?", said Sriya.

Swapna said, "Let's go and see."

What did they see ?

They saw a puppy in the bush.

It was very small.

Sriya took the puppy out of the bush.

One of its legs was broken.

There was also a wound on it.

They saw drops of blood coming out of its wound.

It was crying 'Mmmm' in pain.

"Oh! poor puppy!", said Sriya.

Swapna said, "Let's take it home.

My father will take care of it.

He loves dogs.

Swapna picked up the puppy and held it in her arms.

When they were coming to Swapna's house, Swapna's father saw them.

"Where did you get the puppy?" asked her father.

"We got it in the bush", replied Swapna.

Her father took it in his arms.

They reached Swapna's house. The puppy was still crying in pain. Swapna's mother heard the cry. She came out of the house. She saw the puppy. Swapna's father showed its wound.

"Who wounded it?", asked Swapna's mother.

"We do not know", said Swapna and Sriya.

"Mama, Is there any dettol in the house?", asked Swapna.

"Don't worry. I will do the work", said Swapna's mother.

She went inside the house and came with a bottle of dettol, some cotton and a pair of scissors.

“Go and fetch some water in a mug”,

She said to Swapna. Swapna fetched some water in a mug and gave it to her mother.

“You hold the puppy carefully”,

Said Swapna’ mother. They did so.

Swapna’s mother washed the wound with dettol and dressed it.

Then she tied a piece of cloth around its leg.

Sriya said, “The puppy is hungry”.

Swapna, “Give it some milk.”

Swapna went inside the room and came with a cup of milk.

Then she fed the puppy.

The puppy felt better and looked at Swapna and Sriya.

"Papa, please build a shade for the puppy.

I would keep it as a pet," Said Swapna.

Swapna's father smiled.

Swapna took care of the puppy.

After three days he was alright.

Everyday Sriya came to see the Puppy.

One day Swapna's mother said to Sriya,

"Do you want to take him home?"

Swapna said, "No Mama, She has a pet."

Sriya said, "Yes Aunty, I have a kitten."

"What do you give your kitten to eat, Sriya" ?, asked Swapna's mother.

"I give him milk and fish, but he likes fish very much. He does not like rice," said Sriya.

Swapna said, "I have a pet now. I shall play with him."
